american will also reserve the right to determine if any departure or landing should be made without any liability except the afore mentioned involuntary refund.

why the heck are you even in here if you don’t believe in what heritage is saying or doing? you are as two faced, as is the current (so called) president, and the rest of the democrat party

why the heck are you even in here if you don’t believe in what heritage is saying or doing? you are as two faced, as is the current (so called) president, and the rest of the democrat party
