george, i realized, was the kind of guy who immediately makes you feel sketchy just by association.

for real it's what i’m wondering

may herald a sooner-than-expected rise in interest rates. maxorxpress e-pharmacy carries diabetic supplies,

apparently, the government didn’t get that memo when they created the ATF to give the feds that lost their jobs after the failed “war on alcohol” collapsed

a common refrain is “what is the other option anyway?”

there were no other cars
