vote, threw out the most powerful part of the landmark voting rights act, the law that became a major
most wanting to cope with a customer support office will want fast responses to their issues and inquiries
through the united nations, we were in the congo, east timor, iraq, lebanon etc. there are several points
you realize a lot its nearly onerous to argue with you (not that i truly would needrquo;haha)
so i'll go somewhere else.' i walked out that day
